The terminal includes rental spaces overlooking the City’s active commercial harbour. Its two levels have the capability to accommodate a range of events including dinners, receptions, corporate meetings, trade shows, along with many other possibilities. Bay of Fundy Welcome

All Bay of Fundy folk know what our “Welcome Ceremony” is all about. It is the only way that those not lucky enough to be born a “Bay of Fundy Folk” can come close to being one. Those who survive the ceremony will be forever known as “HONOURARY BAY OF FUNDY FOLK”. The ceremony host (the natural-born Bay of Fundy folk), will have the “victim” stand in front of a group of witnesses while wearing the Sou’Wester. The host will then pass a sample of our local delicacies to the group along with a traditional song whereby everyone has to sing along. Each participant receives a certificate as proof of their adventure. Welcome to Saint John on the Bay of Fundy!

Reception Theme Ideas

Saint John Revue
Saint John has two dinner theatre troupes which can present lively, themed musical shows tailored to your event. The performers are also the servers, and musical comedy is what they serve up!

Evening By the Bay
Give an “upscale twist” to the popular Maritime Kitchen theme. Serve lobster in martini glasses, and feature special Bay of Fundy cocktails & local beer. Replace East Coast music with jazzy, hip entertainment. Delancey’s Brigade, a reenactment troupe, will arrest your group and march them to the venue.

Whale of a Time
The New Brunswick Museum provides a remarkable introduction to New Brunswick’s rich cultural history and diverse natural environment and is the perfect backdrop for your private reception or meal. In the Hall of Great Whales, visitors are thrilled to wine and dine beneath a life-size model and the actual skeleton of a North Atlantic right whale and to learn about the fascinating marine life in the Bay of Fundy.

Maritime Shivaree
The breathtaking Imperial Theatre, restored to its 1913 Victorian splendor elegantly showcases an evening of Maritime entertainment for groups of up to 900. Or let your group take the spotlight, with space for a standup reception for 200 right on centre stage!

Let us help you develop programming that will leave your guests with a lasting impression of our beautiful city on the Bay. There are so many ideas, the options are endless!
Companion Programs and Things To Do

Dine Around - Progressive Feast
Groups can host a Maritime dine-around or progressive feast, sampling a different course at each stop! Delegates will take a short walk between each location along the historic Trinity Royal Preservation area in the city’s Uptown, sampling genuine Maritime cuisine.

Gallery Hop - Artists Studio Tour
Explore Uptown Saint John’s artsy side as you hop from one gallery to the next. Taste the flavour of New Brunswick, while sampling local food and wines. Visit a real artist’s studio to watch them at work and take home locally made crafts, jewellery and art as a souvenir. Or you become the artist and paint your own piece of pottery.

A walk into the past
Strap on a pedometer to explore Canada’s oldest incorporated city. Capture breathtaking Victorian-era architecture, and buildings that survived the Great Fire. Work your way up Canada’s shortest, steepest main street, to the City Market whose ceiling is shaped like the inverted hull of a ship. Stroll Harbour Passage, Saint John’s cranberry-coloured waterfront trail. Visit the Reversing Rapids and view the Bay of Fundy’s powerful tides.

Day Trips and Guided Tours

Old Fashioned Riverboat Cruise
Follow the St. John River, known as the Rhine of North America, on the old Mississippi river boat, Voyager II, for a 3-hour old-fashioned river cruise. Hire a fiddler and serve up some fresh seafood.

Explore the caves
The Fundy coast east of Saint John is well worth exploring. Only a 45 minute drive to St. Martins, you can walk on the ocean floor! Visit sea caves and a 3-mile crescent beach. Photograph the lighthouses, twin covered bridges, visit gift shops, and sample succulent seafood. Explore the spectacular Fundy Trail, a 10 km drive with scenic lookouts. Walk along the suspension footbridge at Big Salmon River.

Coastal Kayak and Lobster Cookout
A 2-hour paddle along a coastal river route where you’ll view limestone cliffs, a historic lighthouse and an active bald eagle’s nest – all framed by the beautiful 400-mile long St. John River. Then back to the beach to enjoy a traditional lobster cookout.

Whale watching, shopping
A one-hour drive west will take you to the historic resort town of St. Andrews by the sea. Stop for lunch at the beautiful Algonquin hotel. Visit the Huntsman Marine Science Centre; spend the day on the golf course; browse the many gift shops or head out onto the water for a 3-hour whale watching tour!

Cable ferries and country roads
Take one of eight free cable ferries to the Kingston Peninsula. Notice the old riverboat wharves on the side roads, and let your mind drift to days past when the river was busy with wooden boats and log booms. Enjoy afternoon tea in the 1810 Carter House and tour the 1789 Trinity Church. Visit the John Fisher Memorial Museum or the Saturday Farmers’ Market.
